nefera S Connect 4K

FREE STANDING LUMINAIRE DIRECT/INDIRECT

Product code **221485**

- The new nevalux Connect free-standing luminaires impress with their built-in, networkable lighting control system, which is developed in Switzerland. The control system meets all the requirements of a modern lighting management system. Luminaires can be easily combined into groups. The swarm function ensures comfort in open-plan offices and the cleaning light creates the best conditions for cleaning work. The control system is constantly being further developed and fulfils the demands of modern buildings of the future.
