

UA16 KNX-S universal actuator

SYSTEM COMPONENTS

EAN 4007841089177

neva
lux

- KNX switch actuator 16-gang / blinds actuator 8-gang for top-hat rail mounting
- Switching of electrical loads with floating contacts
- Blinds output by combining two neighbouring relay outputs
- Binary output mix with switch and blinds actuator is possible
- Switching current 16A / 140 μ F, switch-on current 200 μ s: 800 A
- Mounting width 144mm (8 rail units)
- 5-year product guarantee, KNX Data Secure

● steinel
