EAN 4007841094829

Your Garden. Your Light. With the 24V garden lighting system, you can make your outdoor area shine. Simply unpack the starter set, plug in, connect, and configure via the STEINEL Connect App.

- 3-piece starter set: 1x globe light "Sphera C 24V 300mm", 35W power supply and a 1m connection cable
- Stylish coloured lighting accents: 24V globe light
- Automatic lighting: Thanks to the brightness sensor, the light comes on automatically at dusk - and goes off again at dawn
- STEINEL Connect App: Easy configuration and networking of multiple lights via Bluetooth
- True Color: true-to-life color rendering in warm white, cool white and color, dimmable for flexible lighting scenes
- Plug & Play: All components can be connected quickly and without tools, and can be expanded as desired
