24V-GARDEN LED SPOT

EAN 4007841089351

Your garden. Your light. With the 24V garden lighting system, you can make your outdoor area shine. Simply connect the light, cable and power supply unit and set via the STEINEL Connect app.

- Stylish coloured light accents: swivelling 24V garden spotlight with ground spike without motion detector
- High-quality material: Elegant and puristic design made of durable aluminium
- STEINEL Connect App: Easy configuration and networking of multiple lights via Bluetooth
- True Color: true-to-life color rendering in warm white, cool white and color, dimmable for flexible lighting scenes
- Plug & Play: All components can be connected quickly and without tools, and can be expanded as desired
- Well planned: This light consumes 7,8 W. To operate it, you'll need a 24V power supply that matches the total power requirement – not included.
